## “Project অভিযোগ”

“সমস্যা বলুন দেশকে  
গড়তে সাহায্য করুন”

# Proposed Solution

In digital Bangladesh most of the people are using smart phone and internet.

We can built a platform to connect citizen of Bangladesh to gather their voice so that their voice can reach to the lower or higher Authority.

# Motivation

When we discussing problem about the infrastructures with a man, he said-

“আমাদের সমস্যার কথা শোনার কেউ নাই। যদি পারতাম এই সব সমস্যাগুলো অবশ্যই সরকারকে জানাতাম”

“There is no one to listen about our problems. I wish I can tell our problems to our government.”

# Motivation

This auto driver opinion about Majdee to Sonapur road of Noakhali-

“বেশির ভাগ ঠিকাদারই দুর্নীতির লগে জড়িত, এড়াই আসল সমস্যা। এসব কথা কেউ বলেও না শুনেও না”

“Most of the constructors involved in corruption which is the main problem, and there is no one to take this complaint seriously.”

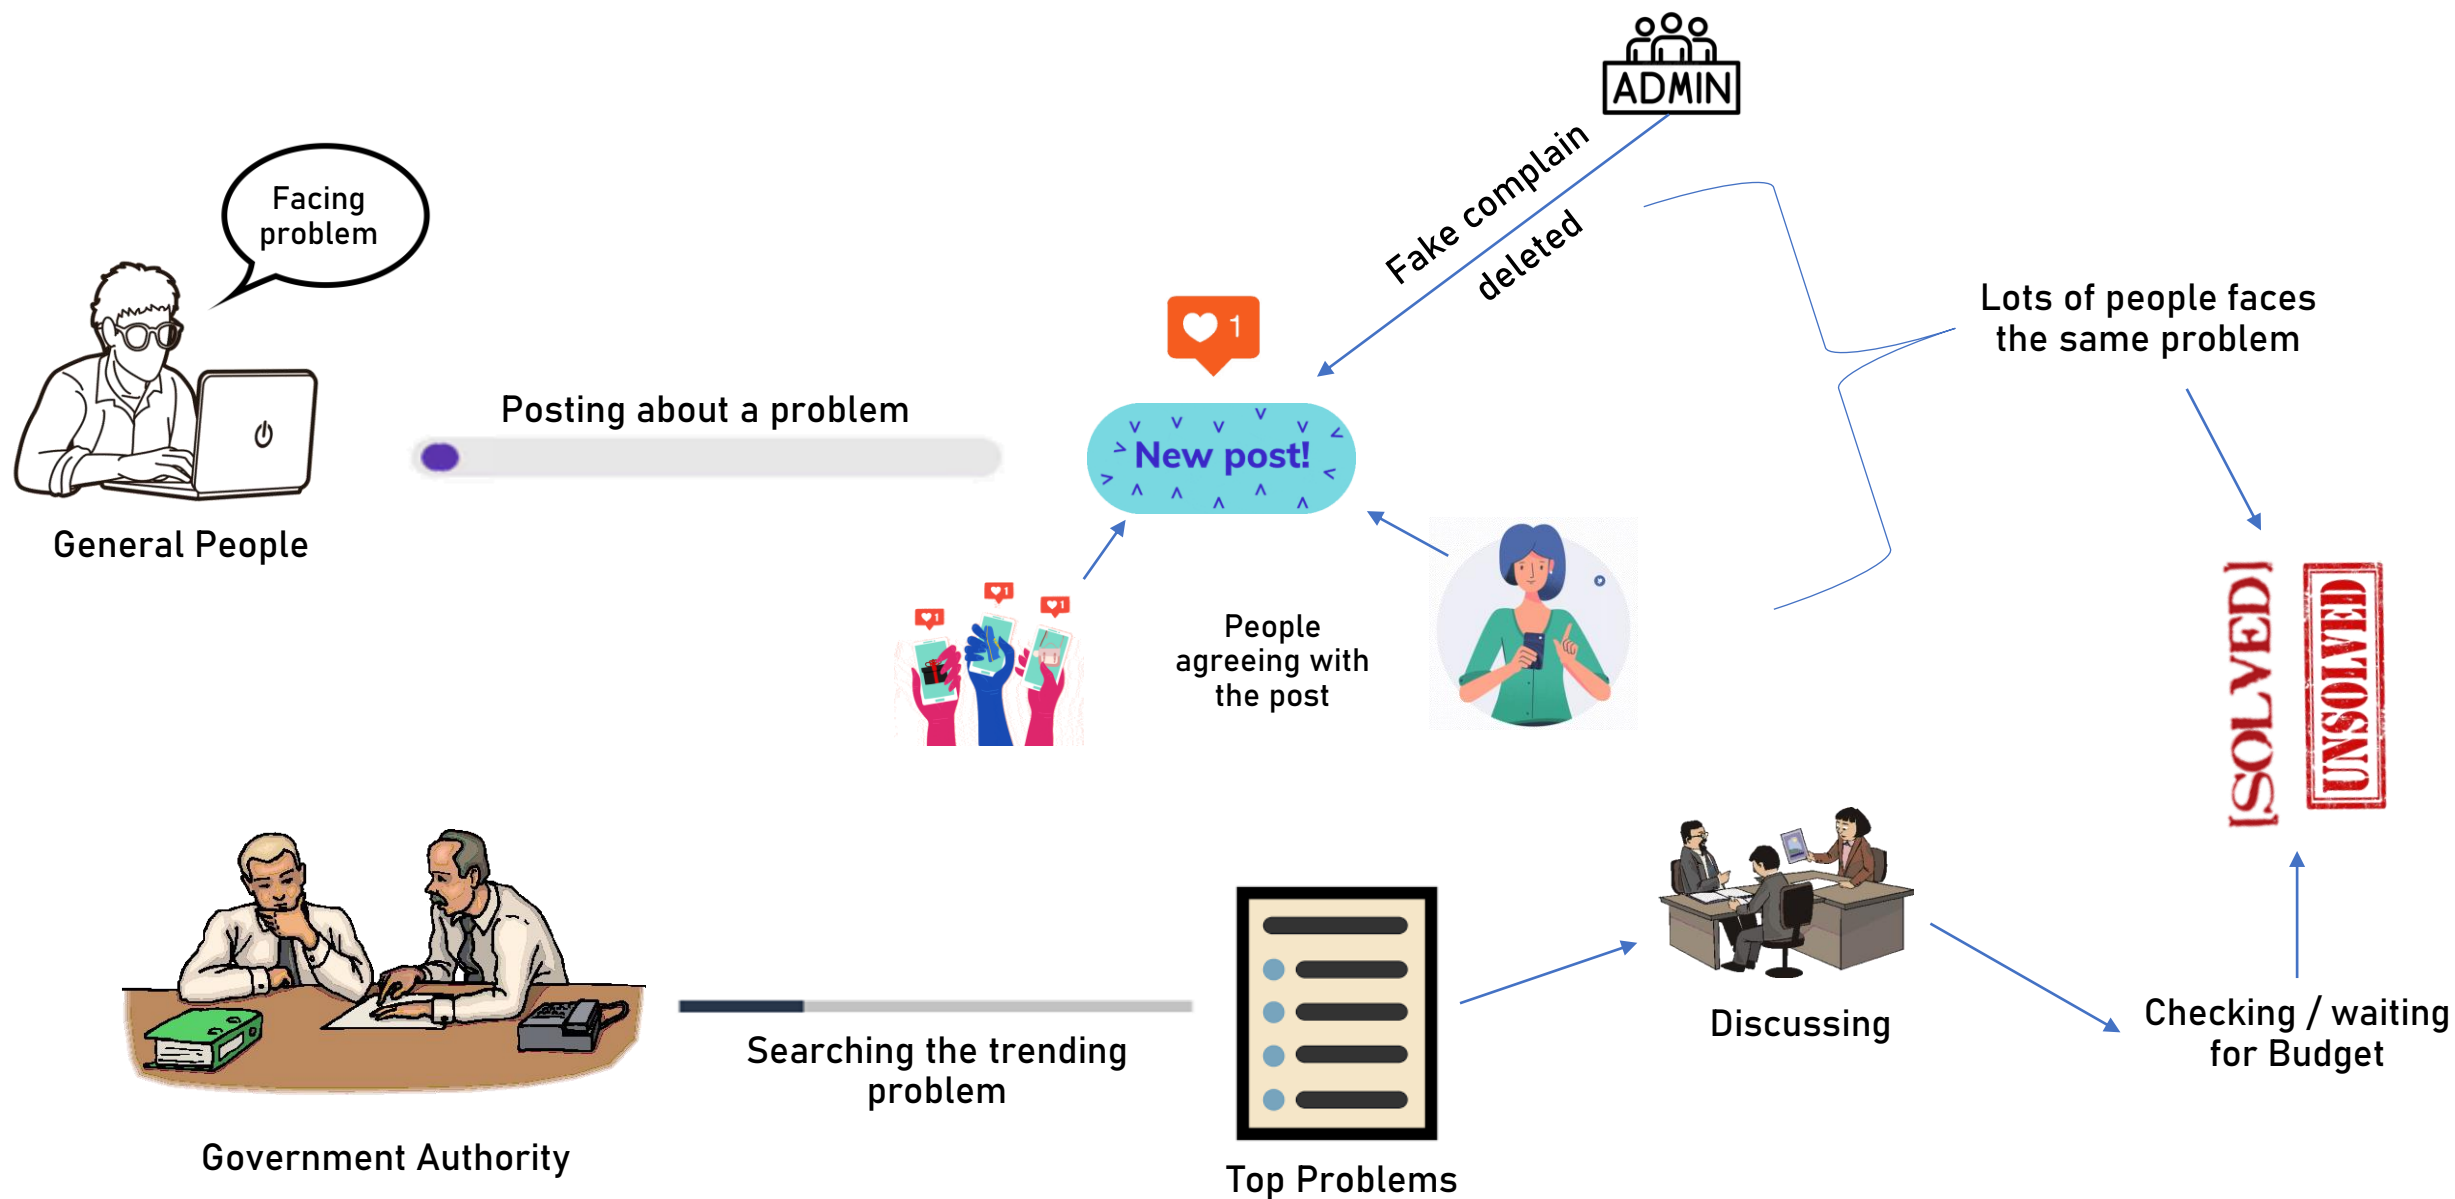

# Motivation

And we all know what is the problem here...
